

## ***BUS DIVERSIONS***

# ***DURING BECKENHAM HIGH STREET WORKS***

Routes passing through Beckenham High Street are **54, 162, 194, 227, 352, 354, 358, 367, and N3.**

Phases one and two of works have started - from Beckenham Junction to Thornton's Corner

**Changes to timing of buses.** There will be slight adjustments to how often buses run on all routes, except the N3, to maintain their reliability during the road works. On the 367 an extra five minutes between buses will be scheduled at certain times, but on all other routes there will be no more than 2 extra minutes between buses.

**The first diversions** will start on **11 March, lasting to mid August.** The whole project will last approximately 18 months, with a number of phases as the works move down the High Street from Albemarle Road to the War Memorial. In all phases buses will remain on their normal routes towards Bromley or Woolwich but will be diverted on their routes towards Crystal Palace or Croydon past the relevant section of the High Street. TfL are planning to have three phases of diversion, with a break over Christmas 2017-

- from 11 March to mid August 2017.
- from mid August 2017 until mid-November 2017.
- Between mid-November 2017 and early January 2018 the High Street should reopen fully, with no buses diverted.
- Then the final phase will be from early January 2018 to some time in Summer 2018.

### **The first phase of diversions for each route is set out below.**

- **Route 54** towards Elmers End - from Southend Road's junction with Rectory Road, turning right onto Rectory Road, then back to its normal line of route from the War Memorial. Route towards Woolwich remains unchanged.
- **Route 162** towards Eltham - from Rectory Road's junction with Southend Road via Albemarle Road, St George's Road and Bromley Road back to line of route. Routeing towards Beckenham Junction will remain unchanged.
- **Route 227** towards Crystal Palace - from Bromley Road's Junction with Manor Road, travelling ahead on Manor Road, ahead again on High Street before joining its usual line of route. Route towards Bromley remains unchanged.
- **Route 354** towards Penge - from Southend Road's junction with Rectory Road, turning right onto Rectory Road, joining its normal line of route at the War Memorial. Route towards Bromley remains unchanged.
- **Route 367** towards West Croydon Bus Station - from Bromley Road's junction with Manor Road, ahead on Manor Road, ahead again on High Street then back to normal line of route. Route towards Bromley remains unchanged.
- **Route N3:** towards Oxford Circus from Wickham Road's junction with Manor Road, left onto Manor Road, ahead onto High Street then back to normal line of route. The routeing towards Bromley remains unchanged.
- **Route 194, Route 358 and Route 352.** No diversion for this phase.

There will be "**in-bus announcements**" that the next bus stop is closed, notices on bus stops, and drivers will advise on the route.

And two **temporary bus** stops

- Rectory Road (new stop G opposite the tram stop), diverted buses will also use existing bus stop W near Vicarage Drive (used by route 352).
- St George's Road (stop Z, near Bromley Road) between 11 March and mid-August 2017 for route 162 towards Eltham only.

Details will be updated on <http://www.westbeckenhamra.org/> and TfL website [www.tfl.gov.uk/BusChanges](http://www.tfl.gov.uk/BusChanges)
